

OREGON CITY FOOTBALL

XENITH X2
\$95.00 LEASE
PURCHASE: \$255

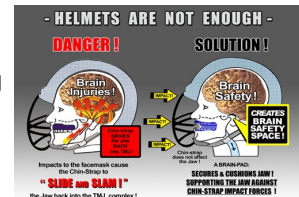

RIDDELL REVO SPEED
\$95.00 LEASE
PURCHASE: \$255

HOW DOES THE LEASE PROGRAM WORK?

Lease Program: You now have the option to lease a premium helmet or purchase. All leased helmets are **reconditioned & recertified annually**. This program allows you to change helmet sizes & face masks styles without the commitment of a purchase. You are also not committed to the helmet long term, if for any reason your son is not playing football after this season. Simply fill out the form, and return the helmet to the school at the end of the season. Your helmet will be delivered to your coach.

BRAIN PAD: \$20.00 EA.
Helps reduce the risk of concussion by creating a space in the TMJ area.
